

DECEMBER 22, 2021 (1st Day)

REGISTRATION

Mr. Inam Karimov - Minister of Agriculture of the Republic of Azerbaijan

Mahir Hajjiyev - Director of the Scientific Research Institute of Animal Husbandry, Ph.D., Associate Professor

Tahir Rzayev - MP, Chairman of the Agrarian Policy Committee

Niyazi Bayramov - Head of Executive Power of Ganja City

Irada Huseynova - Vice President of ANAS, General Director of the Institute of Molecular Biology and Biotechnology, academician

Ibrahim Jafarov - Rector of ASAU Ph.D., professor, corresponding member of ANAS

Shirin Malikova - Director of the Azerbaijan National Carpet Museum, Associate Professor, Doctor of Philosophy in Art History

Granddaughter of academician Firuz Malikov, family member

Zaki Ozturk - Chief Consul of the Republic of Turkey in Ganja

Engin Kilic - Deputy Rector of Kars Kafkaz University, Prof., Dr.

Yevgeny Viktorovich Voronov - Director of the Institute of Engineering, Principality University, i.e.d., Associate Professor

Sabrina Denuncg - Chairman of the Barda office of the International Committee of the Red Cross

Tea break

Plenary session

Yavuz Ozturkler - Veterinary Medicine of Kars Kafkaz University Lecturer of the Faculty, Chairman of the Association of Veterinary and Embryonic Technology, Prof., Dr.

Is embryo transfer in animal husbandry an industry?

Vladimir Nechayev - Nizhny Novgorod State University of Engineering and Economics State Budget Higher Education Institution. Candidate of Technical Sciences, Associate Professor

Development and research of technical means for the hygiene and processing of feed grain

10:00-11:00

11:00-11:05

11:05-11:10

11:10-11:15

11:15-11:20

11:20-11:25

11:25-11:30

11:30-11:35

11:35-11:40

11:40-11:45

11:45-11:50

11:55-12:00

12:00-12:15

12:15-12:25

12:25-12:35

Cihan Kachar - Dean of the Veterinary Faculty of Kars Kafkaz University, Prof., Dr.

Methods of ovulation synchronization in heifers

Victor Olegovich Lemeshovsky - Deputy Dean of the Faculty of Ecological Medicine, International State Institute of Ecology named after A.D. Sakharov, Belarus State University

The effect of different amounts of nitrogen in the feed on the energy and productivity functions of calves (online)

Nahar fasileşi

Oleg Mashner - Director of the Scientific-Practical Institute of Biotechnology in Animal Husbandry and Veterinary, Republic of Moldova

Sheep and goat breeding in the Republic of Moldova.

Dynamics and development of key indicators (online)

Nikolina Petrovic - PhD Candidate at MATE University, Godollo, Hungary, Doctoral School of Economics and Regional Sciences

B.EL.D wireless sensing system and its potential usage in the animal husbandry

Olga Safronova - Associate Professor at the Department of International Relations, Nizhny Novgorod State University named after N.I. Lobachevsky

Immunomodulatory effect of glycopeptides of lactic acid bacteria on rabbits (online)

Lyudmila Polyakova - Junior Researcher, Nizhny Novgorod State University named after N.I. Lobachevsky

Immunomodulatory effect of probiotic tetralactobacter on rabbits (online)

Olga Zhukova – Researcher of the All-Russian Research Institute of Physiology, Biochemistry and Nutrition of Animals named after Academician L.K. Ernst of the Federal Science Center for Animal Husbandry

Effect of age of young goats on the results of hormonal stimulation of folliculogenesis (online)

12:35-12:45

12:45-12:55

13:00-14:00

14:00-14:10

14:10-14:20

14:20-14:30

14:30-14:40

14:40-14:50

Akbar Abbasov - Director of the Agrarian Innovation Center

Application of innovations in the agricultural sector

14:50-15:00

Firdovsi Fikretzade - Director of the Center for Agrarian

Research

15:00-15:10

Assessing the value chain of the dairy sector in Azerbaijan

Tea break

15:15-15:30

Evgeniy Kharitonov - Director of the All-Russian Research Institute of Physiology, Biochemistry and Nutrition of Animals named after Academician L.K. Ernst of the Federal Science Center for Animal Husbandry

15:30-15:40

Biosynthesis of milk components, health of cows with high and low fat milk (online)

Yusif Shukurlu - Director of Sheki Regional Scientific Center of ANAS, Ph.D., Associate Professor

15:40-15:50

The issue of efficient use of the second type of aggregate products in silkworm breeding

Dilek Arsoy - Near East University of the Turkish Republic of Northern Cyprus, Veterinary Medicine Faculty, prof., dr.

15:50-16:00

Management of sustainable ecological sheep and goat breeding and marketing

Irina Smetanina - Senior Researcher of the All-Russian Research Institute of Physiology, Biochemistry and Nutrition of Animals named after Academician L.K. Ernst of the Federal Research Center for Animal Husbandry, Candidate in biological sciences

16:00-16:10

Different morphological and functional status of total lipid fatty acid content in oocytes in bovine ovaries after in vitro maturation

Gennady Cherepanov - Researcher of the All-Russian Research Institute of Animal Physiology, Biochemistry and Nutrition named after Academician LK Ernst of the Federal Center for Animal Husbandry, Ph.D. in biological sciences

16:10-16:20

Problems of using IT in animal husbandry from the point of view of productive animal biology (online)

Tatiana Fotina - Sum National Agrarian University of the Republic of Ukraine, Ph.D. in biological sciences, Professor

16:20-16:30

Prevention of antibiotic therapy in the conditions of industrial livestock enterprises

DECEMBER 23, 2021 (2nd Day)

Aida Askerova - Scientific Research Institute of Animal Husbandry , Deputy Director for Scientific Affairs, Ph.D., Associate Professor

11:00-11:10

Improvement of intensive cultivation methods in primary meat processing

Gudurat Bakirov - Head of the department of Sheki Regional Scientific Center of ANAS, Ph.D. in b.s.

11:10-11:20

The role of silkworm breeding in the economic development of the region

Ulviya Huseynova - Chief Microbiologist of AFSI

11:20-11:30

Rules for state registration and import of veterinary drugs in the Republic of Azerbaijan

Sevil Abbasgulyeva - Head of the Laboratory "Feed Technology and Zootechnical Assessment" of the Scientific Research Institute of Cropping , a.e.f.d.

11:30-11:40

Existing problems in feed production and their solutions

Gafar Mammadov - Head of the laboratory of Mulberry Silkworm Breeding, Department of Genetics, Biotechnology and Selection, Scientific Research Institute of Animal Husbandry, Ph.D., Associate Professor

11:40-11:50

Achievements and problems of cocoon and silk science in Azerbaijan during independence

Vugar Aliyev - General Director of AMIR Technical Services LLC, Doctor of Physical and Mathematical Sciences, Professor

11:50-12:00

Vagif Rustamov - Ganja State University, Ph.D., Associate Professor

Innovative methods of physical control of varrao-destructor ticks in honey bees

Tea Break

12:00-12:15

Vafa Maharramova - Senior Research Fellow, Laboratory "Feeding and Feed Analysis", Department of "Breeding, Production, Processing and Marketing" of the Livestock Research Institute

12:15-12:25

The role of fodder base in increasing cocoon productivity

Tural Abbasov - Head of the laboratory of "Breeding of cattle, ruminants and birds" of the "Genetics, biotechnology and selection" department of the Scientific Research Institute of Animal Husbandry
Impact of imported vitamin premixes, feed additives on animal productivity (milk, meat, fetus) and the duration of economic importance

Tea break

Question-answer and conference evaluation

Lunch break

City tour with conference participants

Results of the international scientific-practical conference "Modern problems of animal husbandry and innovative concepts" and Gala night

12:25-12:35

12:35-12:50

12:50-13:50

14:00-15:00

15:00-17:00

18:00-21:00

Join Zoom Meeting 

<https://us02web.zoom.us/j/84676097131?pwd=M3JmQkVXcnd3cTZXa3VZTWFlqTWs4QT09>

Meeting ID: 846 7609 7131

Passcode: 239518

December 22 - Ramada Plaza Hotel, Ganja

DECEMBER 23 - Research Institute of Animal Husbandry,
Goygol region, Firuzabad settlement
